Here are a few of the funniestUnlock the Wings of Liberty secret missionDuring the Media Blitz mission guide your Odin mech to the bottom right of the map and destroy the science facility at the end of the road. Pick up the documents that come out of the wreckage and look out for the secret mission Diercing the Shroud on the mission select screen. You have to complete it before heading to Char. Meet DiabloIn Wings of Liberty, during the fiery Devil's Playground mission head to the bottom right of the map to find Diablo. You can't kill him or interact with him in any way, but there he is. In Heart of the Swarm in the Roach Evolution mission after you've evolved and are heading towards the next set of enemies, keep an eye on the containment chambers on the top wall of the facility. Diablo's chilling out in one of those too. Find Ewoks in Legacy of the VoidIn the mission Unsealing the Past, set on Endion, you can find Ewoks all over the place, huddling around camp fires and hiding behind trees. There's also a Jurassic World reference in this level. There's an 'enhanced strain' blue Zerg monster called Indomilisk Rex, a pastiche of Indominus Rex from the film. Find the Tauren Marineln the mission Unsealing the Past, set on Endion, you can find Ewoks all over the place, huddling around camp fires and hiding behind trees. There's also a Jurassic World reference in this level. top left of the map. Move beyond it and you will find a level 80 Tauren marine in power armour. Treasure your brief time with him, because your base platform up, up, down, down, left, right, left, right, left, right. The Tauren Marine lands with a nuclear explosion and you can control him as a unit. He will not attack you, he just jumps there even if you train soldiers from barracks. Submitted by: stormmrohSelect units and press Enter, then type the command /dance to make them dance. Currently this only seems to work with ground units. The list is: ZerglingsHydralisksUltralisksZealotsHigh templarMarinesMaraudersThors (confirmed only for CE variant of thor)You can unlock the following songs for the jukebox by performing the actions below. Terran Up the Night - Beat Campaign ModeOn the mission Zero Hour, if you attack the following songs for the jukebox by performing the actions below. Terran Up the Night - Beat Campaign ModeOn the mission Zero Hour, if you attack the Zerg base to the north/northwest you can find a nuetral Marauder. If you click him 3 times the words "Secret 3...2...1" will appear and then the marauder will disappear. Works on all difficulties but good luck doing it on hard or brutal. On "The Devil's Playground," Redstone III (planet), head to the bottom right corner of the map to locate Diablo, surrounded by lava. He is hostile and will attack your units when encountered. He's not especially powerful. While playing the space shooter minigame on the Hyperian, Lost Viking, open the chat box with ENTER and enter these codes for the desired effect. -score X - Add X number of points to score-ADDLIFE - Add one life-mb - Change the background-LEVELCLEAR - Complete the current level-ss - Display the sine of three angles: 180, 90, and pi (GEEKY!)-BONUS - End the map-NOQUIT - Hide the "Quit" button-BOSS - Make the boss appearbehind - Summon a wave of enemies-LIFE - Set number of lives to 10-end - Play the ending cinematic-pu -Spawn a power-up at the center of the screenIn the Hyperion Cantina, look at the top left corner. You will see a hologram a female Night Elf from World of Warcraft dancing the mission Ghost of a Chance and unlocking the ghost, go to the armory on your ship. Left click the Ghost rifle to examine it. Keep looking at the screen for about a minute and Nova should appear briefly before re-cloaking. This is a reference to the unreleased/cancelled game Starcraft: Ghost in which Nova was set to be the protagonist. Marines can be found in various places in the water is a Marine frozen in "carbonite." On the mission "Zero Hour," where you wait 20 minutes for evacuation, search the top of the map, just above the left vespene geiser. Here you can find a Murloc Marine near the left edge of the map. He's slightly north of your base. He is standing on a cliff edge, surrounded by trees. During the mission "Piercing the Shroud," in the loading bay before the room with the Brutalisk, go outside through the door and follow the rock ledge upwards. A large area of the map will be suddenly revealed, and you will find a Murloc Marine. This is a reference to Murlocs in Warcraft. The Murloc Marine is also found in World of Warcraft as a exclusive companion given to those who attended BlizzCon 2009. Inside the sercret mission unlocked via destroying the Science Facility on Korhol (which can be unlocked in replays btw), send a unit as far as you can at the drop point when you get reinforcements (outside, not entering the brutalisk room first). Here you can see a Murloc Marine just minding it's own buisness on a nearby asteroid.
